

Center for Social
Neural Networks
University of
Tsukuba

The 3rd Sino-Japan Symposium on the Frontier of

Behavioral Neuroendocrinology

March 20th (Wed), 21st (Thu), 22nd (Fri) /2019

Research Bldg. D, University of Tsukuba

Dingzhen Liu, Ph.D. (Beijing Normal University)

Sonoko Ogawa, Ph.D. (University of Tsukuba)

Larry J. Young, Ph.D. (University of Tsukuba / Emory University)

- 20th (Wed) 9:00~** Neuroendocrine basis of development of neural networks for sex-specific behavior
Neuroendocrine basis of aggressive and conflict behavior
- 21st (Thu) 11:00~** Neuroendocrine basis of affiliative behavior
Effects of early environment and experience on development of neuronal networks and behavior
Neuroendocrine basis of various types of social communication
Neuroendocrine basis of stress, anxiety, fear responses, learning
- 22nd (Fri) 11:00~** New analysis tools for behavioral neuroendocrinology research in field vs laboratory studies
Panel discussion: Future China-Japan collaboration in the field of behavioral neuroendocrinology

Guest speakers

Zuoxin Wang
Dehua Wang
Baoguo Li
Jianxu Zhang
Fadao Tai
Xiaoguang Qi
Xianqing Zhou
Dongming Li

Jianliang Zhang
Jingfeng Chen
Yongliang Pan
Wei Liu
Xueying Zhang
Quansheng Liu
Rui Jia
Yaohua Zhang

Ming Yang
Zhiyun Jia
Yasuo Sakuma
Yoichi Ueta
Hitoshi Ozawa
Hideaki Takeuchi
Takefumi Kikusui
Tatsushi Onaka

Mayumi Nishi
Kazuya Tomihara
Masaki Kakeyama
Yasuhiko Kondo
Shinji Tsukahara
Hiroataka Sakamoto
Tsuyoshi Koide
Fumihiko Maekawa

Toshiro Sakamoto
Kenichi Matsuda
Yousuke Tsuneoka
Mariko Nakata
Constantine Pavlides
Kazuo Yamada
Qi Zhang
